

## SPECIAL INFORMATION

The Engine Build Code Number, the Vehicle Identification Number and the information provided on the Trim Plate are often necessary when determining the proper replacement parts for your vehicle. For their location refer to the General Information Section found at the front of this catalog.

## NOTES

- 40-1 . . . . Available only as part of the original Special Equipment Kit.
- 40-2 . . . . These parts are not used with the Frame Mounted Snow Plow Lift.
- 40-3 . . . . Half inch (1/2") thick spacer to be fabricated by installer when used less Snow Plow.
- 40-4 . . . . Used on V8 Engines.
- 40-5 . . . . Used on Six Cylinder Engines.
